DAY TOUR TO ABU DHABI

2 February 2016

FREE

Abu Dhabi is the capital of the UAE, ruled by HH Sheikh Khalifa bin Zayed Al Nahyan, who is also the current president of UAE.

Abu Dhabi is a special tourist destination since it is a blend of modernity, Arabic heritage and top class international resorts, such as the breath-taking Emirates Palace, Qasr Al Hosn, Saadiyat Island, and Yas Island. The most prestigious UAE spot is the Sheikh Zayed Mosque, a place of worship and the largest mosque in the country. It is next to late Sheikh Zayed's resting place, may he rest in peace.

DAY TOUR TO DUBAI

4 February 2016

FREE

Dubai is the hub of the Middle East in business, modernization and tourism. Despite its young destination, Dubai has succeeded

in enticing people and world celebrities for its spectacular attractions from the highest tower in the world, Burj Khalifa, which consists of more than 160 floors to its largest shopping center, Dubai Mall, where you can find all the world brands in one place and enjoy the view of the dancing fountain as you dine in its many international cuisines.

OUR VENUE IS AL AIN

"The Garden City"

Al Ain, nicknamed the "Garden City", is a fertile oasis city located approximately 160 kilometers east of the Abu Dhabi capital. Its name derives from its originally plentiful supply of fresh water.

LODGING

Our official conference hotel is the **Hili Rayhaan by Rotana** located in the heart of Al Ain. Where you lodge is entirely up to you but we strongly recommend the Hili Rayhaan by Rotana for the following reasons:

1. **Transportation will be provided between the hotel and the conference at the university.**
2. The five-star property offers 254 rooms and suites with their modern design complementing the values of the contemporary Arabian culture. The rooms have wireless internet access, complimentary tea and coffee making facilities, and in-room safes.
3. The hotel has three different food and beverage venues, an outdoor temperature controlled swimming pool and a separate children's pool, and steam, sauna, jacuzzi and massage rooms.
4. The Hili District is a thriving tourist area and bustling location in the north of Al Ain.
5. The hotel is in direct conjunction with Hili Mall, a three-storey mall featuring about 120 retail outlets.
