

السيد الأستاذ الدكتور/ وكيل كلية التربية لشئون التعليم و الطلاب

تحية طيبة و بعد

يشرفني أن أحيط سيادتكم علما بأن الموضوعات البحثية الإختيارية الخاصة بطلاب الفرقة الأولى- تخصص اللغة الإنجليزية - شعبة تعليم أساسي- مادة الكتابة على النحو التالي:

Based on the course you have studied in **Writing**, write a well-developed research paper (ranging from 5-15 pages including the introduction and the conclusion) on one of the following topics:

1. Parents are the best teachers. Agree or disagree argumentatively using point-by-point organization.
2. How do media affect people's thinking and behavior? Discuss causes and effects of this using block organization.
3. Some people prefer living in a big city; others prefer living in a small town. Compare and contrast both types of life using point-by-point organization.

N.B. Please, make the best use of the information you've learned throughout the course, including achieving unity and coherence, referring to facts, quotations, statistics, and more.

4. The rules of the use of quotations (direct and indirect) as applied to two topics of your own choice.
5. The four ways of achieving coherence as applied to two topics of your own choice.

N.B. The paper that will be passed is the one including original, not plagiarized, repeated, or copy-and-paste information.

Best of Luck
