

Curriculum Vita

Dr. Abeer Abd Elwahab Mohammed Mostafa Elhatery.
B.D.S & MSc &PhD.

Nationality: Egyptian.

Birth of date: 21/11/1976.

Place of birth: Kingdom Saudi Arabia.

Address: Kafrelsheikh.

Marital State: Married with 3 children.

Telephone/

Mobil: 01090337042

Mobil: 01090337079

E-mail: elhatery@hotmail.com.

Degrees:

- 1- Ph.D. Doctor of philosophy degree in Bio-Dental Materials. Faculty of Dentistry, **Tanta University 2011.**
- 2- M.Sc. Master degree in Prosthodontics Dentistry. Faculty of Dentistry, **Tanta University 2006.**
- 3- Bachelor Degree in Oral medicine and Maxillo-facial Surgery, Faculty of Dentistry, **Tanta University.1999.**

Previous experience:

- ❖ Vice Dean of the Faculty of Dentistry, Kafrelsheikh University for Community Service and Environmental Development from December 31, 2020 to date.

- ❖ Assistant Professor, Department of Dental Biomaterials, Faculty of Dentistry, Kafrelsheikh University, from September 2019 to date.
- ❖ Lecturer in Bio-material department, faculty of dentistry, Kafrelsheikh University, from 1/10/2014 to 2019.
- ❖ Lecturer in Bio-material department, faculty of dentistry, Tanta University, from 2/2012 till 30/9/2014.
- ❖ Lecturer in Bio-material department, faculty of dentistry, Sinai University 2014 -2015. (Partial mandate)
- ❖ Lecturer in Bio-material department, faculty of dentistry, 6Oct – University. 2011 - 2012. (Partial mandate)
- ❖ Assistant lecturer in Bio-Dental Materials department, faculty of dentistry, Tanta University, from 6/2006 till 1/2011.
- ❖ Demonstrator in Bio-Dental Materials department, faculty of dentistry, Tanta University, from 2001 till 6/2007.

Certificate & Training:

- **Ph.D.** Doctor of philosophy degree in Bio-Dental Materials 2011.
- **Master degree** in Prosthodontics Dentistry 2006.
- **Bachelor Degree** in Oral medicine and Maxillo-facial Surgery, Faculty of Dentistry, **1999**.
- **Accredited certificate** of completion of the computer program for postgraduate studies (first level - master) from the Development Projects Management Unit. Training Center for Information and Communication Technology Systems, Tanta University **7/2004**.
- **Accredited certificates** of completion of the workshops held in the (faculty and leadership development project) Tanta University 2006/2007 in the following fields:
 1. Using Technology in Academic Teaching.
 2. Effective Communication Skills.
 3. Effective Presentation.

4. Code of Ethics in Practice.
5. Strategic Planning.

- **Certificate of completion** of (Preparation of University Staff members). Workshop held at Faculty of Education, Tanta University. **2010**.
- **Accredited certificate** of completion of the computer program for postgraduate studies (second level - Ph.D.) from the Development Projects Management Unit, Communication and Information Technology Systems Training Center, Tanta University **4/2010**.
- **Accredited certificates** of completion of the workshops held in the (faculty and leadership development project) Tanta University 2011-2012 in the following fields:
 1. Quality standards in the teaching process.
 2. University administration.
 3. Communication skills in different types of education.
 4. The credit hour system.
 5. Ethics of scientific research.
- Certified certificates of completion of the workshops held in the (faculty and leadership development project) Kafrelsheikh University 2019 in the following fields:
 1. International publishing.
 2. Competitive projects.
 3. Financial and legal aspects in Egyptian universities.
 4. Time and meeting management.
 5. Credit hour system.

Academic Experience:

- Vice Dean of the Faculty of Dentistry, Kafrelsheikh University for Community Service and Environmental Development from December 31, 2020 up to date.
- Assistant Professor at department of dental biomaterials, Faculty of Dentistry, Kafrelsheikh University, from **September 2019**.

This includes the following activities:

1. Carrying out all the teaching, training and evaluation tasks of teaching the subject of dental biomaterials for dental students (Second Academic year).
2. Supervising the laboratory work for students of the second year.
3. Carrying out the tasks of supervising the department and facilitating work within it.
4. Participation in all examination work within the faculty (putting questions - correction - oral tests - control work).
5. Participate in quality work within the quality assurance unit in the faculty.

- **From 10/2014 till 9/2019.** Lecturer in Bio-material department, faculty of dentistry, Kafrelsheikh University.

The only Lecturer in Bio-material department, faculty of dentistry, Kafrelsheikh University. **So Teaching the entire Bio-material courses:**

1- Dental Bio-material (pre-clinic course) for second year students.

2- Dental Bio-material (clinic course) for second year students.

3- Teaching of extra-courses for first year students, that includes:

- **Dental Terminology.**
- **Ethics and Quality assurance.**

4- Supervision on lab work for 2nd year dental students.

- **From 2/2012 till 30/9/2014.** Lecturer in Bio-material department, faculty of dentistry, Tanta University.

- 1- Sharing in all educational, training. and evaluation activities of dental bio-material course for 1st year dental students.
- 2- Sharing in all educational, training. and evaluation activities of dental bio-material course for pre-dental year dental students.
- 3- Supervision on lab work for 1st year dental students.
- 4- Sharing in all educational, training. and evaluation activities of dental bio-material course for 1st year Malaysian dental students.
- 5- Sharing in all educational, training. and evaluation activities of dental bio-material course pre-dental year Malaysian dental students.
- 6- Supervision on lab work for 1st year Malaysian dental students.

7- Sharing in all mid-term and final examination works of:

- 1st year dental students.
- Pre-dental year dental students.
- 1st year Malaysian dental students.
- Pre-dental year Malaysian dental students.

8- Sharing in teaching of bio-material course for post-graduate diploma students.

9- Sharing in teaching of bio-material course for post-graduate master students.

• **Lecturer in Bio-material department**, faculty of dentistry, **6.Oct.** University. **2011-2012.**

1- Sharing in all educational, training. and evaluation activities of dental bio-material course for 2nd year dental students.

2- Supervision on lab work for 2nd year dental students.

• **Lecturer in Bio-material department**, faculty of dentistry, **Sini** University. **2014-2015.**

1- Sharing in all educational, training. and evaluation activities of dental bio-material course for 2nd year dental students.

2- Supervision on lab work for 2nd year dental students.

• **Assistant-lecturer from 2006 / 2011:**

1- Assistant-lecturer in dental bio-material department –faculty of dentistry -Tanta University. Teaching all lab work for 1st year students.

• **Demonstrator from 2001 / 2006:**

1- Dental bio-material department –faculty of dentistry -Tanta University. Teaching all lab work for 1st year students.

2- Prosthetic department – faculty of dentistry -Tanta University. Sharing in teaching clinical and lab work for 2nd & 3rd & 4th year students.

Research work:

• **Master thesis in prosthetic department:**

Evaluation Of The Recasting Effect On Physico-Mechanical Properties Of Denture Base Cobalt – Chromium Alloy.

✂

- **Ph.D. thesis in bio-dental materials department:**

The influences of different casting techniques on physio-mechanical properties of base metal alloys used in removable and fixed prosthodontics.

Conference Attendance

- 18th 2012 AIDC Faculty of Dentistry-Alexandria University 7-11 November 2012.
- Annual conference of Gharbia dental syndicate (future prospects in Dentist 22-23 Nov 2012).

- 3rd international dental congress (Faculty of Dentistry Cairo University 22-25 Jan 2013).
- 2nd Annual Scientific dental conference Kafrelsheikh University 3-4 April 2014.

Skills:

***Computer:**

Software programs: Word, Power Point, Web search, & Databases search.

***Language:**

Fluent speaking, reading and writing

- Arabic
- English.
