Day	Group 1 D/ Manal Yahia D/Sahar Wasfy D/ shaimaa Mahmoud (1-100)	Group 2 D/Eman Wardany D /Aml Elsayed (101-200)	Group 3 D /Abeer Sobhy D/Asmaa Khaled (201-300)
Saturday	Suction &Vital signs& Growth measurements& blood sample& care of neonate on phototherapy& care of neonate on N CPAP&bottle feeding	Suction &Vital signs& Growth measurements& blood sample& care of neonate on phototherapy& care of neonate on N CPAP&bottle feeding	Suction &Vital signs& Growth measurements& blood sample& care of neonate on phototherapy& care of neonate on N CPAP&bottle feeding
Sunday	Medication administration &spong bath & Nasogastric insertion and feeding	Medication administration &spong bath & Nasogastric insertion and feeding	Medication administration &spong bath & Nasogastric insertion and feeding
Monday &Tuesday	G4(400-301) D/Asmaa	G5 (500-401) D/Shaimaa	G6(501-600) D/Aml&D/Abeer
Monday	Suction &Vital signs& Growth measurements& blood sample& care of neonate on phototherapy& care of neonate on N CPAP&bottle feeding	Suction &Vital signs& Growth measurements& blood sample& care of neonate on phototherapy& care of neonate on N CPAP&bottle feeding	Suction &Vital signs& Growth measurements& blood sample& care of neonate on phototherapy& care of neonate on N CPAP&bottle feeding

Tuesday	Medication administration & sponge bath & Nasogastric insertion and feeding	Medication administration & sponge bath & Nasogastric insertion and feeding	Medication administration & sponge bath & Nasogastric insertion and feeding
Wednesday & Thursday	G7(601-700) D/Asmaa	G8(701-800) D/Aml&D/Shaimaa	G9 (801-950) D/Aml&D/Aberr
Wednesday	Suction & Vital signs & Growth measurements & blood sample & care of neonate on phototherapy & care of neonate on N CPAP & bottle feeding	Suction & Vital signs & Growth measurements & blood sample & care of neonate on phototherapy & care of neonate on N CPAP & bottle feeding	Suction & Vital signs & Growth measurements & blood sample & care of neonate on phototherapy & care of neonate on N CPAP & bottle feeding
Thursday	Medication administration & sponge bath & Nasogastric insertion and feeding	Medication administration & sponge bath & Nasogastric insertion and feeding	Medication administration & sponge bath & Nasogastric insertion and feeding

The students are divided into 6 groups for a period of two weeks, with an average of approximately 100 students per group.

Pediatric clinical plan 2025-2026 (1st semester)

Hospital (first rotation)				
Day	NICU (University hospital)	PICU (University hospital)	General Word General) (hospital	Lab
Sunday‘Saturday 4 days /area	A1	A2	A3	A4
Staff assigned	D/ Shaimaa Mahmoud	D/ Asmaa Khaled	D/ Abeer Sobhy	D/ Aml Elsayed
Tuesday ‘ Monday 4 days /area	B1	B2	B3	B4
Staff assigned	D/ Shaimaa Mahmoud	D/ Asmaa Khaled	D/ Abeer Sobhy	D/ Aml Elsayed
Thursday ‘ Wensday 4 days /area	C1	C2	C3	C4
Staff assigned	D/ Shaimaa Mahmoud	D/ Asmaa Khaled	D/ Abeer Sobhy	D/ Aml Elsayed

Hospital (second rotation)				
Day	NICU (University hospital)	PICU (University hospital)	General Word General) (hospital	Lab
Sunday ,Saturday 4 days /area	A4	A1	A2	A3
Staff assigned	D/ Asmaa Khaled	D/ Shaimaa Mahmoud	D/ Aml Elsayed	D/ Abeer Sobhy
Tuesday ‘ Monday 4 days /area	B4	B1	B2	B3
Staff assigned	D/ Asmaa Khaled	D/ Shaimaa Mahmoud	D/ Aml Elsayed	D/ Abeer Sobhy
Thursday ‘ Wensday 4 days /area	C4	C1	C2	C3
Staff assigned	D/ Asmaa Khaled	D/ Shaimaa Mahmoud	D/ Aml Elsayed	D/ Abeer Sobhy

Hospital (third rotation)				
Day	NICU (University hospital)	PICU (University hospital)	General Word General) (hospital	Lab
Sunday‘Saturday 4 days /area	A3	A4	A1	A2
Staff assigned	D/ Aml Elsayed	D/ Abeer Sobhy	D/ Asmaa Khaled	D Shaimaa Mahmoud
Tuesday ‘ Monday 4 days /area	B3	B4	B1	B2
Staff assigned	D/ Aml Elsayed	D/ Abeer Sobhy	D/ Asmaa Khaled	D/ Shaimaa Mahmoud
Thursday ‘ Wensday 4 days /area	C3	C4	C1	C5
Staff assigned	D/ Aml Elsayed	D/ Abeer Sobhy	D/ Asmaa Khaled	D/ Shaimaa Mahmoud

Hospital (fourth rotation)				
Day	NICU (University hospital)	PICU (University hospital)	General Word General) (hospital	Lab
Sunday‘Saturday 4 days /area	A2	A3	A4	A1
Staff assigned	D/ Abeer Sobhy	D/ Aml Elsayed	D/ Shaimaa Mahmoud	D/ Asmaa Khaled
Tuesday ‘ Monday 4 days /area	B2	B3	B4	B1
Staff assigned	D/ Abeer Sobhy	D/ Aml Elsayed	D/ Shaimaa Mahmoud	D/ Asmaa Khaled
Thursday ‘ Wensday 4 days /area	C2	C3	C4	C1
Staff assigned	D/ Abeer Sobhy	D/ Aml Elsayed	D/ Shaimaa Mahmoud	D/ Asmaa Khaled
Open Lap				

Procedure	Equipment
Cardiopulmonary Resuscitation	<ul style="list-style-type: none"> • Towel • Hard surface • Ambo bag or bag and mask with oxygen source • Suction device or nasal aspirator • Suction catheter • Sterile water • basin • Endotracheal tube • Laryngoscope • Resuscitation medication • (Adrenaline, atropine)
