1- Write a Paragraph on ONE of the following:

(5 Marks)

- 1- Social Media
- 2- Your future career
- 3- An important person in your life
- 4- Your favourite language of study

II- Read the following passage and then answer the questions below: (18 Marks)

Bigfoot is a humanlike creature reportedly living in the Pacific Northwest. Bigfoot sightings have been noted most often in the mountainous areas of northern California, Oregon, and Washington in the United States. The creature has also been numerous times in British Columbia in Canada, where it is known as Sasquatch.

The creature described by witnesses is tall by human standards, measuring 7 to 10 feet (2 to 3 meters) in height. It resembles an ape with its thick, powerful, fur-covered arms and short, strong neck; however, its manner of walking erect is more like that of *Homo sapiens*.

Although there have been hundreds of reported sightings of Bigfoot, most experts have not seen enough evidence to be convinced of its existence. The fact that some purported evidence has been proven fake may have served to discredit other more credible information.

1. Which of the following best states the topic of the passage?

- a) Its arms and neck look like those of an ape
- b) Its arms are covered with fur
- c) It is short-necked
- d) It walks like an ape

5. The expression "Homo Spines" is closest in meaning to

- a) apes
- b) creatures
- c) furry animals
- d) humans

6. According to the passage, how do experts feel about the evidence concerning Bigfoot's existence?

- a) They feel certain as its existence
- b) They are sure that it does not exist
