Answer Two only of the following questions

- 1- "Modern poetry is a striking materialization of the concept of modernism as a revolt against all traditions." **Discuss. [16 marks]**
- 2- **Attempt a Critical Analysis of the Poem Below: [16 marks]**

I killed them, but they would not die.
 Yea! all the day and all the night
 For them I could not rest nor sleep,
 Nor guard from them nor hide in light.

Then in my agony I turned
 And made my hands red in their gore.
 In vain—for faster than I slew
 They rose more cruel than before.

I killed and killed with slaughter mad;
 I killed till all my strength was gone.
 And still they rose to torture me,
 For Devils only die in fun.

I used to think the Devil hid
 In women's smiles and wine's carouse.
 I called him Satan, Balzebus.
 But now I call him, dirty louse.

Please Turn Over !!!

3- Give a full evaluation of the Poem Below: [16 marks]

It little profits an idle king.
By this still hearth, among these barren crags,
Match'd with an aged wife. I mete and dole
Unequal laws unto a savage race,
That hoard, and sleep, and feed, and know not me.
I cannot rest from travel; I will drink
Life to the lees: all times I have enjoy'd
Greatly, have suffer'd greatly, both with those
That loved me, and alone: on shore, and when
Thro' scudding drifts the rainy Haydes
Vext the dim sea: I become a name:
For always roaming with a hungry heart
Much have I seen and known, - cities of men
And manners, climates, councils, governments,
Myself not least, but honour'd of them all,-
And drunk delight of battle with my peers,
Far on the ringing plains of Troy.
I am a part of all that I have met;
Yet all experience is an arch wherethro'
Gleams that untravell'd world, whose margin fades
For ever and for ever when I move.
How dull it is to pause, to make an end,
To rust unburnish'd, not to shine in use!

Answer the following questions:

I- Postcolonialism consists of a set of theories in philosophy and various approaches to literary analysis that are concerned with literature written in English in countries that were or still are colonial of other countries. Discuss with references to the theory's methodology. (5 Marks)

II- "Okonkwo never showed any emotion openly, unless it be the emotion of anger. To show affection was a sign of weakness; the only thing worth demonstrating was strength." Okonkwo's belief that anger is the only appropriate emotion for a man to show causes significant problems for him, his family, and ultimately his community. Discuss in reference to the theme of resistance and support your answer with evidence and examples from the text. (5 Marks)

III- Comment critically on the following quotation: (6 Marks)

"Does the white man understand our custom about land?"

"How can he when he does not even speak our tongue? But he says that our customs are bad; and our own brothers who have taken up his religion also say that our customs are bad. How do you think we can fight when our own brothers have turned against us? The white man is very clever. He came quietly and peaceably with his religion. We were amused at his foolishness and allowed him to stay. Now he has won our brothers, and our clan can no longer act like one. He has put a knife on the things that held us together and we have fallen apart." In your point of view, has the Igbo culture and community fallen apart after the arrival the colonizer?
