**UNESCO/Keizo Obuchi Research Fellowships Programme
(UNESCO/Japan Young Researchers' Fellowship Programme)
2015 Cycle**

A. INTRODUCTION

1. UNESCO designed the project "UNESCO/Keizo Obuchi Research Fellowships Programme" (UNESCO/Japan Young Researchers' Fellowship Programme) in the framework of the Japanese Funds-in-Trust for the Capacity-Building of Human Resources which was established in November 2000 by the Government of Japan to enable UNESCO to give impetus to research in four areas under UNESCO's Priority Programme Areas.

2. Reinforcing its belief in "people building the next era", the Government of Japan offers 20 fellowships per year, for the fourteenth consecutive year, to be awarded to deserving candidates from developing countries, especially attention will be given to Africa and the least developed countries (LDCs), who are eager to undertake research on one or more of the topics listed below. The aim of the fellowships is to support innovative and imaginative post-graduate research in four areas of development of particular interest to UNESCO.

B. OBJECTIVES OF THE PROGRAMME

1. The UNESCO/Keizo Obuchi Research Fellowships Programme (UNESCO/Japan Young Researchers' Fellowship Programme) funded under the Japanese Funds-in-Trust for the capacity-building of Human Resources will aim, in particular, to **impact on capacity-building and research activities** in the following areas: 1. Environment (with particular attention to Water Sciences); 2. Intercultural Dialogue; 3. Information and Communication Technologies; and 4. Peaceful conflict resolution. **No other research topics will be considered.**

C. ELIGIBILITY

Applicants, a maximum of TWO from each applying National Commission, must meet the following general criteria:

1. Candidates under this Programme must be **post-graduate researchers**, already holding either an M.A. or M.Sc. degree (or equivalent) and wishing to pursue research work abroad (preferably in their own region) with a view to enhancing knowledge in one of the four specific fields mentioned in paragraph D.1 below. Thus, those who are in the process of completing their Master's degree must have completed it **PRIOR** to taking up their Fellowship.
2. Candidates must be persons of high intellectual promise who may be expected to make significant contributions to their country on return.
3. Candidates must be no more than 40 years of age. Thus, applicants born before 1 January 1975 will not be considered under the Programme.
4. The selected Fellow must carry out the research under the auspices of an academic supervisor in a host institution. Confirmation of acceptance from the academic supervisor is imperative.
5. Priority attention will be given to:
 - * Women candidatures
 - * Candidates from least developed countries (LDCs)
 - * African researchers
6. Candidates must be proficient in reading and writing the language of instruction in the proposed country of study/research.
