

## Personal information

Name : Ismail Ismail Ibrahim ELSayed

Address : Elatibaa Tower, El-Moharebeen El-Gedida,  
(Home) Kism Awal, Kafr El-Sheikh, Egypt.

Tel. No. :  :+201005777849  :+2043144023

E-mail : Ismail.e70@yahoo.com

DOB : 31/5/1970

Nationality : Egyptian

Marital Status : Married + 4 children

**Present Occupation** : Vice president for postgraduate studies and researches Kafrelsheikh University, Kafr El-Sheikh, Egypt.

Work address : Kafrelsheikh University, El-Geish Street, Kafr El-Sheikh, Egypt.

Work Phone :  :+20-473109586

## Academic Qualifications

- 1993 Bachelor of Vet. Medical Sciences (B.V.Sc), Cairo Univ., Egypt
- 1997 Master of Vet. Medical Sciences (M.V.Sc, Theriogenology) Cairo Univ., Egypt.
- 2002 Ph. D. of Vet. Medical Sciences (Ph.D., Theriogenology) Cairo University, Egypt .

## **Management jobs**

- Vice President of Kafrelsheikh University for Postgraduate Studies and Research Affairs, by Presidential Decree No. 38 dated 7/2/2023 for a period of four years
- Dean of the Faculty of Veterinary Medicine / Kafrelsheikh University, by Presidential Decree No. 255 dated 31/5/2020 for a period of three years (second period)
- Dean of the Faculty of Veterinary Medicine / Kafrelsheikh University, by Presidential Decree No. 125 of 2017 for a period of three years (first period)
- Vice Dean of the Faculty of Veterinary Medicine for Community Service and Environmental Development Affairs, Kafrelsheikh University From 9/12/2015 until 17/3/2017 (second period).
- Vice Dean of the Faculty of Veterinary Medicine for Community Service and Environmental Development Affairs, Kafrelsheikh University From 9/12/2012 until 8/12/2015 (first period).
- Supervising the Department of Virology at the College of Veterinary Medicine, by Resolution No. 711 on 1/8/2017 for the academic year 2017/2018
- Supervising the Department of Virology at the College of Veterinary Medicine, by Resolution No. 592 dated 17/7/2018 for the academic year 2018/2019

- Supervising the Department of Virology at the College of Veterinary Medicine by Resolution No. 1423 dated 14/7/2019 for the academic year 2019/2020
- Supervising the Department of Animal Medicine at the College of Veterinary Medicine, by Resolution No. 1030 dated 10/8/2021 for the academic year 2021/2022

### **Academic progression**

- Demonstrator, Department of Obstetrics, Reproduction and Artificial Insemination, Faculty of Veterinary Medicine - Cairo University, commissioned by the President of the University 2/11/1994 till - 3/10/1997.
- Assistant Lecturer, Department of Obstetrics, Reproduction and Artificial Insemination, Faculty of Veterinary Medicine - Cairo University, 4/10/1997 - 28/2/1998.
- Assistant Lecturer, Department of Obstetrics, Reproduction and Artificial Insemination, Faculty of Veterinary Medicine, Kafr El-Sheikh - Tanta University, 1/3/1998-27/4/2002.
- Lecturer of Obstetrics, Reproduction and Artificial Insemination, Faculty of Veterinary Medicine, Kafr El-Sheikh - Tanta University, 28/4/2002 - 26/5/2007.
- Assistant Professor of Obstetrics, Reproduction and Artificial Insemination, Faculty of Veterinary Medicine - Kafr El-Sheikh University, 27/5/2007 - - to 24/6/2012.

- Professor of Obstetrics, Reproduction and Artificial Insemination at the Faculty of Veterinary Medicine - Kafr El-Sheikh University since 25/6/2012 - until now.

### **Scientific missions and missions:**

- A scientific mission from the Ministry of Higher Education and the State for Scientific Research A.M., for training in methods of diagnosis and evaluation of semen to increase fertility in animals for a period of nine months at Gifu University, Japan, during the period from 2/8/2007 to 2/5/2008.

### **Management of quality and development projects**

#### **AT THE UNIVERSITY LEVEL**

- Deputy Director of the Quality Assurance Center at the university by Resolution No. 1950 dated 25/9/2019 until 2022
- Member of the advisory board and academic and institutional accreditation of Kafrelsheikh University by decision No. (733) dated 2/8/2017 for the academic year 2016/2017.
- Member of the advisory board and academic and institutional accreditation of Kafrelsheikh University by decision No. (811) dated 1/9/2018 for the academic year 2018/2019.
- Member of the University Performance Development Council from 2017 until now
- Internal reviewer for programs and courses in university faculties
- Participation in the qualification of university colleges to apply for accreditation from the National Authority for Quality Assurance of Education and Accreditation through membership of the Advisory

Council for Academic and Institutional Accreditation of Kafrelsheikh University during previous years and Deputy Director of the Quality Center at the university

**AT THE FACULTY of veterinary medicine level**

- Chairman of the Board of Directors of the Quality Assurance Unit at the College from 2017 until now
- Director of the Quality Assurance Unit at the College (12 March 2012-8 December 2012 AD). (attachment7)
- Deputy Director of the Quality Assurance Unit at the Faculty (2010- until March 12, 2012) (Annex 6)
- Participation in establishing an internal quality system.
- Coordinator of the Department of Theriogenology in the Quality Assurance Unit.
- Member of the Executive Team of the Quality Assurance Unit at the college.
- Participation in the preparation of the project of continuous development and qualification for accreditation 2010
- Member of the administrative team for the continuous development and qualification project for accreditation
- Deputy Executive Director of the Continuous Development and Qualification Project for CIQAP, from March 2011 to March 13, 2012.
- Executive Director of the Continuous Development and Qualification Project for CIQAP Accreditation from March 13, 2012 to the end of the project.

- Deputy Director of the Rehabilitation Project for the Analysis of Feed, Water and Food of Animal Origin, and the laboratory obtained accreditation in August 2014 through the EGAC (ISO 17025).
- Deputy Director of the Rehabilitation Project for the Diagnostic and Research Laboratory of Animal, Poultry and Fish Diseases
- Internal references for programs and courses in the college.
- Member of the college self-study team from 2013 to 2017
- Head of the self-study team at the college from 2017 until now

### **Participation in strategic planning.**

- Member of the team preparing the fourth strategic plan, Kafrelsheikh University 2020/2025
- Head of the third strategic plan preparation team at the College of Veterinary Medicine 2020/2024
- Member of the team preparing the first strategic plan at the College of Veterinary Medicine 2010/2015.
- Member of the team preparing the second strategic plan at the College of Veterinary Medicine 2015/2019.
- Preparing an annual strategic plan for the community service and environmental development sector from 2012 to 2016
- Attending and passing the strategic planning course from 27-29/4/2010 at the university development center at the university
- Attending and passing the strategic planning course from 12-13/7/2010 at the National Authority for Quality Assurance and Accreditation

- Attending a training course on strategic planning for student services at the university within the objectives of The European Project (MEDAWEL) in Amman, Jordan, during the period from February 25-28, 2014 under the title: Integrating a Holistic Approach to Student Services for Increased Student Wellbeing
- Attending the international conference organized by OIE in Cairo under the title “The Road to Accreditation” from 4-7 December 2018.
- Attending the ninth meeting of the National Authority for Quality Assurance and Accreditation with the directors of quality assurance centers in Egyptian universities, on Monday, September 30, 2019 under the title (**Strategic Partnership and Unity of Objective**), which was held in the conference hall of Misr University for Science and Technology
- Participation in the activities of the third international conference under the title of digitization and quality assurance of higher education during the period from 2-3 October 2021 at the headquarters of Sadat City University – Egypt

### **Participation in the accreditation of faculty of veterinary medicine from the National Authority for Quality Assurance and Accreditation of Education**

- The **faculty of veterinary medicine** was granted an academic accreditation certificate from the National Authority for Quality Assurance and Accreditation of Education in May 2017, as the first college to obtain accreditation at Kafrelsheikh University

## **Achievements in the field of education and students at the Faculty of Veterinary Medicine and the university**

- Amendment of the internal regulations for the bachelor's degree to the credit hours system and the issuance of Ministerial Resolution No. 728 on 3/2/2022
- Developing distinguished programs with expenses (food health and safety - pet medicine and surgery)
- Activating the electronic correction system since the academic year 2019/2020 until now
- Applying the electronic exams system for some academic courses since the academic year 2021/2022 until now.
- Activating the e-learning system
- Equipping student laboratories with the necessary equipment for the educational process (25 student laboratories).
- Participation of the College of Veterinary Medicine in various student activities and obtaining advanced positions
- Participation in reviewing the study regulations for some of the university's faculties
- Construction of the terraces building at the Faculty of Veterinary Medicine (five floors)

## **. Achievements in the field of postgraduate studies and research**

- Amending the regulations for postgraduate studies (diploma, master's, doctorate) with the credit hour system, and it is being approved by the Supreme Council of Universities
- Develop and increase the rate of international scientific publication from 52 international research in 2016 to 180 international research in 2021
- Making a scientific journal for the college with a website and obtaining the final degree in the evaluation of the Supreme Council of Universities
- This is in addition to granting academic degrees (diploma - masters – doctorate

## **Achievements in the field of local and international classifications**

- **At the local level:** the college obtained the first place in scientific excellence in veterinary medical sciences at the level of faculties of veterinary medicine in Egyptian universities for the year 2021
- **At the international level:** the college has ranked 151-200 in the Shanghai classification among veterinary schools in the world since 2018 until now

## **Experience in the field of training and capacity development**

**Attend and pass the following training courses:**

- Effective presentation training course during the period from 1-4 January 2005 at Tanta University.

- Training course on developing thinking skills during the period from 14-17 May 2005 at Tanta University.
- The training course, Modern Trends in Teaching, during the period from 1-5 June 2005, at Tanta University.
- Effective communication training course during the period from June 21-25, 2005 at Tanta University.
- Training course, Scientific Research Administration, during the period from 11-14 July 2005, at Tanta University.
- Training course preparing and writing scientific research and publishing it internationally during the period from July 11-14, 2005 at Tanta University.
- Training course managing the research team during the period from January 12-14, 2010 at Kafrelsheikh University.
- The training course organizing scientific conferences during the period from 20-22 February 2010 at Kafrelsheikh University.
- The strategic planning training course during the period from 27-29 April 2010 at Kafrelsheikh University.
- The strategic planning training course during the period from 12-13 July 2010 at the National Authority for Quality Assurance and Accreditation.
- Self-evaluation training course for institutions of higher education during the period from 18-22 July 2010 Kafrelsheikh University.

- Training course Education Systems (credit hours) during the period from 26-28 July 2011 at The National Authority for Quality Assurance and Accreditation.

## **Workshops**

### **Workshops (as a trainer):**

- A workshop to educate faculty members and the supporting body on the standards of the body, held on Tuesday, 28/7/2011, at the Faculty of Veterinary Medicine / Kafr El-Sheikh University.
- A workshop on quality management for postgraduate students, held on Tuesday, 20/12/2011, at the Faculty of Veterinary Medicine / Kafr El-Sheikh University.
- A workshop on the description of programs and courses held on 24/4/2018 at the Faculty of Commerce / Kafrelsheikh University.
- A workshop on academic standards and educational programs held on 4/7/2018 at the Faculty of Nursing / Kafr El-Sheikh University.
- A workshop on the report of programs and courses held on 24/4/2018 at the Faculty of Commerce / Kafrelsheikh University.
- A workshop on the description of programs and courses held at the Faculty of Medicine / Kafrelsheikh University.
- A workshop on strategic planning held on 2/7/2018 at the Faculty of Physical Education / Kafrelsheikh University.
- A workshop on the extent to which the accreditation criteria have been met, held on March 14, 2019 at the Faculty of Physical Education / Kafrelsheikh University.

- A workshop on the extent to which the accreditation standards are met, held on 14/9/2019 at the Faculty of Physical Education / Kafrelsheikh University.
- A workshop on the description and report of the courses held on 2/4/2019 at the Faculty of Al-Asun / Kafrelsheikh University.
- A workshop on accreditation standards held on 10/2/2019 for administrators at the Faculty of Physical Education / Kafrelsheikh University.
- A workshop on the accreditation standards held for the faculty members and the assistant staff at the Faculty of Fisheries Sciences and Fisheries / Kafrelsheikh University.

### **Participate in attending the following workshop**

- A workshop on the description of the program and the course held on Sunday 10/5/2009.
- A workshop on strategic planning held on Tuesday 28/7/2009.
- A workshop on the College's Balanced Scorecard, held on Sunday 27/9/2009.
- A workshop on self-assessment held on Sunday 15/12/2009.
- A workshop on the College's Balanced Scorecard, held on Sunday 28/2/2010.
- A workshop on the description of postgraduate programs, held on Sunday, 2/5/2010.

- A workshop for faculty members and the supporting staff on methods and tools of education and modern communication, held on Sunday 19/6/2011.
- A workshop for members of the faculty and the supporting body on the development of evaluating the student's style during and after the completion of studying the courses held on Tuesday, 21/6/2011.
- A workshop on introducing the current laws held on Tuesday 9/8/2011.
- A workshop for faculty members on student activities held on Tuesday 13/12/2011.
- A workshop for faculty members on the description and report of the courses held on Tuesday 13/12/2011.
- A workshop on modern methods of scientific research held on Tuesday, 20/12/2011.

### **Conferences attendance:**

- Participation in the implementation and attendance of the first student conference of Kafrelsheikh University on 3/20/2022
- Chairman of the Fifth Scientific Conference of the Faculty of Veterinary Medicine / Kafr El-Sheikh University under the title "Veterinary medicine and the challenges of the twenty-f first century" during the period from 17-21 November 2021 AD, held at the Hawaii Riviera Hotel, Lugarden, Hurghada

- Participation in the activities of the third international conference under the title of digitization and quality assurance of higher education during the period from 2-3 October 2021 at the headquarters of Sadat City University - Egypt
- Attending a commemoration conference of the 10th Africa Day for food and nutrition security during the period from 29-30 October 2019 at Triumph Hotel in the Fifth Settlement in Cairo
- Chairman of the Fifth Scientific Conference of the Faculty of Veterinary Medicine / Kafrelsheikh University under the title "Veterinary medicine between research and application" during the period from 5-9 March 2019, held at the Hawaii Hotel Riviera Logarden Hurghada
- The Road to Accreditation Conference during the period from 4-7 December 2018, held at the Radisson Hotel Blue Cairo
- The Fourth Scientific Conference of the Faculty of Veterinary Medicine in Kafr El-Sheikh during the period from 12-14 May 2016  
Held in the village of Lagoon in Alexandria
- The third scientific conference of the Faculty of Veterinary Medicine in Kafr El-Sheikh during the period from 8-10 May 2009  
Held on the North Coast
- The Seventeenth Scientific Conference of the Egyptian Society of Animal Reproduction and Fertility, held at the Armed Forces Hotel in Minya, during the period from 3-7 February 2007 in Giza and Hurghada.

- The second scientific conference of the Faculty of Veterinary Medicine in Kafr El-Sheikh during the period from 6-8 May 2006
- Held at the Plaza Hotel in Alexandria
- The Seventeenth Scientific Conference of the Egyptian Society of Animal Reproduction and Fertility, held at the Armed Forces Hotel in Minya, during the period from January 29, 2005 to February 2, 2005.
- The first scientific conference of the Faculty of Veterinary Medicine in Kafr El-Sheikh held at the Faculty of Veterinary Medicine, Kafrelsheikh Branch, Tanta University - May 2003
- The Seventh Scientific Conference of the Egyptian Society of Animal Reproduction and Fertility, held at the Faculty of Veterinary Medicine, Cairo University in 1995.

### **Scientific Workshops:**

#### **Schedule of the following scientific symposiums:**

- Scientific symposium entitled (The Impact of Residues on Human Health) on 12/2/2013.
- The scientific symposium under the title "Fish Production... Problems and Solutions" on 19/3/2013.
- The scientific symposium entitled (The Reality and Future of Livestock Resources in Kafr El-Sheikh) on 7/4/2013.
- The scientific symposium entitled (Genetic improvement and restoration of the veal project) on 7/5/2013.

- Scientific symposium entitled (Production of renewable energy from poultry waste) on 29/4/2013.
- Scientific symposium entitled (Hepatitis C "risks and prevention") on 24/2/2014.
- The scientific symposium entitled (Foot-and-mouth disease is an endless danger) on 10/3/2014.
- The scientific symposium entitled (swine flu "present and future") on 16/3/2014
- The scientific symposium entitled (Leptospirosis is a latent danger) on 19/3/2014
- The scientific symposium entitled (Pathological problems of Kafr El-Sheikh fish farms) on 18/5/2014.
- Scientific symposium entitled (Feed Health and Animal Productivity) on 31/8/2014.
- Scientific symposium entitled (rapid diagnostic and treatment methods for the problem of non-visible mastitis On 3/16/2015.
- The scientific symposium entitled (Organized Eviction in Cases of Crises and Disasters) on 15/4/2015.
- Scientific symposium entitled (parasitic problems in poultry farms) on 19/4/2015.

- The scientific symposium entitled (Modern Trends in Feeding High-Ducting Dairy Cows in the Pre and Postpartum Period in the Twenty-first Century) on 10/27/2015.
- The scientific symposium entitled (Artificial Insemination between Reality and Hope) on 24/2/2016.
- Scientific symposium entitled (Some infectious equine diseases (prevention and treatment) On 07/27/2016
- The scientific symposium entitled (Some modern methods in the clinical nutrition of livestock) On 07/31/2016.
- Scientific symposium entitled (Brucella between humans and animals) on 8/11/2016

### **Chairman of the following scientific symposia**

- The scientific symposium under the title Application of Biosafety Standards in Fish Farms and Hatcheries on 22-23/8/2021 for fish farm owners and students in the faculty discussion room
- The scientific symposium under the title (No to Drugs) in cooperation with the (Fund for Combating and Treating Addiction and Abuse) on 3/28/2022 for students and future youth at the 800th runway in the college
- The scientific symposium under the title Nanotechnology and the possibility of its application in the field of poultry diseases on 11/4/2021 for veterinarians and researchers in the faculty discussion room

- The scientific symposium entitled (Advantages and Risks of Owning a Pet) on 5/11/2019.
- A panel discussion under the title (Foot-and-mouth disease and lumpy skin between research and application) on 12/9/2018.
- Scientific symposium entitled "Biological safety in microbiology laboratories and the use of equipment Personal Protection" on 3/25/2018.
- The scientific symposium entitled (Helcobacteriosis from the perspective of Common Diseases) on 29/4/2018.
- Scientific symposium entitled (Diseases common between humans and animals) on April 2017.
- Scientific symposium entitled "Eoedema skin disease in buffaloes (prevention and treatment)" On August 29, 2017.

A panel discussion under the title (The current situation of brucellosis in Kafr El-Sheikh governorate). On October 23, 2017.

- The scientific symposium entitled "The Negative Effect of the Indiscriminate Use of Antibiotics in Poultry Farms" on December 19, 2017.

### **Participated in the following seminars:**

- The scientific symposium entitled "Environmental Pollution of Food of Animal Origin" on 11/22/2005
- The Scientific symposium entitled "Bird Flu" on 5/3/2007
- The scientific symposium entitled "The Seriousness of Rift Valley Fever and its Impact on Livestock and Human Health" on 26/2/2008

- The scientific symposium entitled "The dangers of smoking, addiction and drug abuse" on 3/25/2008
- The scientific symposium entitled "Swine Flu... A Scientific and Media View" on 1/7/2009
- The scientific symposium under the title "Foot-and-mouth disease and the three-day fever" on 12/14/2010
- The scientific symposium entitled "Forage health and its impact on cow productivity and milk safety On 12/28/2010
- Scientific symposium entitled "Addiction and Bioterrorism" on 8/5/2011
- The scientific symposium under the title (Recycling of household waste as animal food) on 21/2/2012.

### **Veterinary medical convoys**

**Supervision and implementation of 102 medical convoys in the villages of kafrelshiekh and El- gharbia province**

### **Training Courses: In the faculty of veterinary medicine**

#### **Supervision and implementation of the following courses**

- A course entitled (Real Time PCR), which was held in the college during the period from 6/10/2012 to 8/10/2012.
- A course entitled (Real Time PCR), which was held in the college during the period from 10/20/2012 to 10/22/2012.
- A course entitled (Field Surgery for Ruminants), which was held in the college during the period from 10/20/2012 to 10/22/2012.
- A course entitled (Real Time PCR), which was held in the college during the period from 8/11/2012 to 11/11/2012.

- A course entitled (Detection of Ochratoxin toxins in food and animal feed using ELISA devices), which was held in the college during the period from 3/2/2013 to 3/5/2013.
- A course entitled (PCR), which was held in the college during the period from 3/21/2013 to 3/24/2013.
- A course entitled (Detection of Ochratoxin toxins in food and animal feed using ELISA devices), which was held in the college during the period from 30/3/2013 to 4/1/2013.
- A course entitled (Basic Techniques of Molecular Biology - Part One), which was held in the college During the period from 4/4/2013 to 4/7/2013.
- A course entitled (PCR), which was held in the college during the period from 4/18/2013 to 4/21/2013.
- A course entitled (Basic Techniques of Molecular Biology - Part Two), which was held in the college During the period from 1/7/2013 to 3/7/2013
- A course entitled (Basic Techniques of Molecular Biology - Part Three), which was held in the college
- During the period from 8/7/2013 to 11/7/2013
- A course entitled (Practical application of (PCR) in various fields), which was held in the college
- During the period from 3/6/2014 until 5/6/2014.
- A course entitled (Practical application of (PCR) in various fields), which was held in the college
- During the period from 3/22/2015 to 3/24/2015.

- A course entitled (Using Ultrasound (Sonar) in the Diagnosis of Venereal Diseases in Animals), which was held at the College from 9/14/2015 AD to 9/16/2015
- A course entitled (Using the Infiltrated Polymerase Reaction (PCR) in the Diagnosis of Diseases), which was held at the College during August 2016.
- A course entitled (The use of surgery in animals), which was held in the college during the month of August 2016.
- A course entitled (Manual palpation and the use of sonar in the field of reproduction in farm animals), which was held in the college during the period from 9/14/2016 to 9/16/2016.
- A course entitled (Using PCR in diagnosing fish diseases), which was held in the college during the period from 5/2/2017 to 8/2/2017.
- A course entitled (Using Ultrasound in the Diagnosis of Venereal Diseases in Cows), which was held at the College during the month of April 2017.
- A course entitled (Using Ultrasound in the Diagnosis of Venereal Diseases), which was held at the College from 4/23/2017 to 4/24/2017.
- A course entitled (Using Ultrasound in the Diagnosis of Livestock Diseases), which was held at the College from 4/26/2017 to 4/27/2017
- A course entitled (Using Ultrasound in the Diagnosis of Livestock Diseases), which was held at the College from 2/14/2018 until 2/15/2018.

- A course entitled (Using sound waves in diagnosing venereal diseases and pregnancy), which was held in the college from 2/17/2018 until 2/18/2018.
- A course entitled (Methods for detecting pathogenic microbes that cause food spoilage in foods of animal origin), which was held in the college from 2/18/2018 until 2/19/2018.
- A course entitled (Visual detection of slaughtered animals in slaughterhouses), which was held in the college during the period from 2/18/2018 until 20/2/2018.
- A course entitled (TISSUE CULTURE), which was held in the college on 3/3/2018.
- A course entitled (APPLICATIONS OF FLOW CYTOMETRY IN DIFFERENT FIELDS), which was held in the college on 3/10/2018.
- A course entitled (APPLICATIONS OF FLOW CYTOMETRY IN DIFFERENT FIELDS), which was held in the college on 3/17/2018.
- A course entitled (Diagnostic Skills for Internal Diseases and Infectious Diseases), which was held at the Department of Animal Medicine in the College during the period from 7/8/2018 to 7/19/2018.
- Course entitled (Pet Animals Surgery), which was held in the college from 9/9/2018 until 9/11/2018.
- A course entitled (Statistical analysis using the SPSS program) at the Department of Livestock Development, Faculty of Veterinary Medicine / Kafr El-Sheikh University, during the period 13-15/11/2018.

- A course entitled (How to produce a successful fattening course) at the Poultry Department, Faculty of Veterinary Medicine / Kafr elSheikh University, during the period 6-7/12/2020.
- A course entitled (Soft Tissue Surgery in Dogs) at the Department of Surgery, Faculty of Veterinary Medicine / Kafr elSheikh University, during the period 12/27-28/2020.

### **Carrying out the following Employment forum**

- The first Employment forum held on 9/13/2012 in Hall (605) at the University Development Center.
- The second Employment forum held on September 3, 2013 in Hall (605) at the University Development Center.
- The Third Employment Forum held on 10/28/2014 in Hall (605) at the University Development Center.
- The Fourth Employment Forum held on 10/21/2015 in the discussion hall at the Faculty of Veterinary Medicine / Kafr El-Sheikh University.
- The Fifth Employment Forum held on August 30, 2018, in Runway 800, College of Veterinary Medicine / kafrEl Sheikh University.
- The Sixth Employment Forum held on 8/30/2021 AD at Runway 800 at the College of Veterinary Medicine /Kafr El Sheikh University.

### **Leadership conferences**

- Attending the training program in the field of spreading the values of integrity and transparency and raising awareness of the dangers of corruption and ways to prevent it, which was held at the Administrative Control Authority in Cairo from 1/30/2018 to 1/2/2018

- Leader of the Kafrelsheikh University Regiment at the National Forum for faculty members and their assistants in Egyptian universities and institutes, which was held by the Leadership Development Institute in Helwan under the title (New Roles and Visions for the Orientalism of the Future) in the Youth City in Alexandria during the period from 4/7 to 9/7/2014
- Leader of the Kafrelsheikh University Regiment at the Leadership Development Institute in Fayoum 2009.
- Leader of Kafrelsheikh University regiment in the university camp in Baltim, 2006.
- Chairman of the Medical Convoys Committee (human - veterinary) in the Egyptian Universities Youth Week, which was held at Kafr El-Sheikh University from 2-7 February 2019

### **Membership of Academic and Professional Organizations:**

- Member of the Egyptian Veterinary Medical Syndicate since 1994.
- Member of the Egyptian Veterinary Society of Theriogenology since 1995.
- Member of Kafrelsheikh sports club.

### **Membership of committees at the level of the Ministry of Higher Education**

- Member of the lists of arbitrators for the examination of scientific production for the positions of professors and assistant professors of the permanent scientific committee (veterinary surgery) No. 103 specializing in obstetrics, reproduction and artificial insemination

- Member of the Committee to Study the Conflict between Kafrelsheikh University and the Fund for Science and Technological Development by Ministerial Resolution No. 5358 dated 11/26/2018
- Member of the University Representatives Committee to select the Dean of Engineering, according to Ministerial Resolution No. 4984 dated 10/28/2020
- Member of the University Representatives Committee to select the Dean of Human Medicine, according to Ministerial Resolution No. 5767 dated 12/9/2020
- Member of the University Representatives Committee to select the Dean of Dentistry, according to Ministerial Resolution No. 5768 dated 12/9/2020
- Member of the University Representatives Committee to select the Dean of the Faculty of Physical Education, according to Ministerial Resolution No. 5921 dated 12/23/2020
