

Kafrelsheikh University
Faculty of science
Mathematics Department

2019 - 2020
First Level "Physics"
Subject: Introduction to Statistics & Probability

Suggested research topics

1- Presentation of Data

2- Central Tendency Measures

3- Variability Measures

4- Correlation

5- Regression

6- Sampling

7- Estimation

8- Probability

9- Random Variables

10- Binomial Distribution
