Mr. Maged A. El-Kemary
President
Kafrelsheikh University

Dear Mr. Maged A. El-Kemary,

On behalf of the Achievements Forum - 2019 organizing committee, we would like to express our deepest respect to Kafrelsheikh University, and warmest greetings to yourself.

We must admit successful work of your institution in professional, teaching and educational directions as well as high level of its alumni. These key factors together with stainless reputation, dynamic growth and sustainable professors staff achievements let nominate Kafrelsheikh University to the 'Best educational institution' award (patent #2401351, legal, patent and other rights are EBA protected UK legislation property). The head of educational institution is presented the title 'Manager of the Year' in science and education sphere and personal certificate.

Receiving the Achievements award confirms your outstanding reputation and facilitates communications with potential partners and customers on a VIP level.

Award winners receive the right to use the UK registered award logo for advertising purposes, showing recognition in accordance with the highest international standards.

Eminent representatives of the regional business, science and education elites are to be acknowledged for their contribution to regional development and corporate successes at the Turning Achievements into Recognition ceremony within Milan Achievements Forum on 2 July in Westin Palace Hotel Milan, Italy.

During the event, regional leaders in science, education, business, economy and healthcare will gather to share and learn from each other the best examples of corporate philosophy, running effective businesses, competitiveness, quality management, and discuss key factors of their achievements. I attach the event details for your attention.

Participation in this high-level event will give you an opportunity to meet with the global business, healthcare and educational elite, and to find new partners and customers.

We kindly ask that you to contact us for the award accreditation procedure, and if you would like more information, please do not hesitate to contact a member of our team who will be glad to answer any of your questions and provide additional details.

I look forward to hearing from you soon in this regard.
