

## The Binational Fulbright Commission in Egypt

### FOREIGN LANGUAGE TEACHING ASSISTANT PROGRAM

The Fulbright Commission invites applications for the Fulbright Foreign Language Teaching Assistant (FLTA) Program. The FLTA program provides early career teachers of English as a Foreign Language, or of related fields such as American Studies, or English/American Literature, the opportunity to refine their teaching skills, increase their English language proficiency and broaden their knowledge of the society and culture of the United States, while strengthening the instruction of foreign languages at colleges and universities in the United States. Applications from teachers in the fields of journalism and media studies will also be considered on a case-by-case basis. FLTAs from Egypt assist in the teaching of Arabic at select U.S. universities during their nine-month non-degree grant beginning in August/September 2020. The participants also interact with their host communities in conversation groups, extracurricular activities, and community outreach projects.

The FLTA Program promotes cross-cultural understanding in the U.S. and in the home countries of the FLTA fellows. U.S. universities benefit from the presence of a native speaker on their campuses. FLTA fellows provide teaching assistance by serving in various capacities, which may include teaching up to two Arabic classes at host institutions per semester, and typically facilitating cultural events, language clubs and language tables. FLTA fellows are required to enroll in at least two courses per semester, one of which must be in U.S. Studies.

The FLTA is a nine-month, non-degree program that is non-renewable. No dependents are allowed to accompany fellows on this program.
